

## Legislative Chair Recruiting Campaign ALABAMA PTA NEEDS YOU!

We are in the process of developing Alabama PTA's new Legislative Take Action Alert System. We are seeking legislative chairs to serve on the new Alabama PTA Legislative Take Action Team. The group will help the vice president of legislation and advocacy with developing the PTA Legislative Action Alert system, newsletter articles, press releases, short meeting "talk" pieces, and communication with school board representatives, legislators & the governor.

### UNIT PRESIDENT'S PLEASE HELP!

Unit president's please help with this extremely important effort by identifying a legislative chair as soon as possible and email his/her name to Andrea Price, Alabama PTA Vice President of Legislation and Advocacy at [apriceatpsa@gmail.com](mailto:apriceatpsa@gmail.com). *Please submit names by November 14, 2011.*

### How Do Legislative Chairs Contribute to PTA Units?

Legislative chairs contribute to PTA units by providing critical public policy information, and helping them contact legislators on timely issues, so they can voice PTA concerns and opinions about what affects our children. Legislative Chairs attend meetings to brainstorm, plan for the year, attend regional trainings, distribute and collect issue surveys to its body via flyers, letters, email, and other social mediums.
