Greetings

You are invited to participate! Alabama PTA will be hosting its 92nd Annual Convention in April 16-17, 2010, in Huntsville, Alabama. Founded in 1911, Alabama PTA is the oldest and largest statewide volunteer organization working exclusively on behalf of children and youth. Alabama PTA strives to be a powerful voice for children, provide relevant resources for parents, and be a strong advocate for public education.

Alabama PTA recognizes the importance of effective partnerships that involve parents, educators, and businesses in improving education, increasing student success, and securing a brighter future for our children. Our annual convention is one way we are able to do this and sponsorships from *community involved businesses like yours* are needed for us to be able to provide a quality program. Our goal is to present an outstanding convention that creates an awareness of educational issues and encourages participation of the entire community in the education of our children.

Please take this opportunity to make a **tax-deductible donation through the sponsorship of a convention event or a program advertisement**. Your sponsorship will be acknowledged in the convention program book, Alabama PTA website and Bulletin. Superintendents, principals, and parents across Alabama receive copies of the Bulletin. Appreciation signs will also be displayed throughout the convention site. A list of opportunities for involvement is attached.

Your support is critical to our mission, providing programs and speakers that ultimately give children a better chance to reach their highest potential. We would be especially pleased to have you or a representative of your company attend a convention function and be introduced to the delegates. Alabama PTA appreciates your support of our convention as we speak for "every child with *one voice*."

Sincerely,

Pam Berry
President
