Subject: Required Informational Report for Statutorily Exempt Organizations
Account Number: **EXM-R010116415**

Act 2015-534 requires that all statutorily exempt entities, other than governmental entities, must file a quadrennial informational report (once every four years). The first quadrennial informational report was due October 31, 2017. Every four years thereafter, the quadrennial informational report is due by October 31st (2021, 2025, 2029, 2033, 2037, 2041, 2045, etc.) United appeal funds and their supported charities are required to both timely file the quadrennial informational report and maintain a current and valid certificate of exemption. If a united appeal organization or supported charity fails to comply with the aforementioned requirements, the organization or member agency will not be eligible for exemption certificate renewal.

We are sending this letter as a reminder that the next quadrennial informational report is due by October 31, 2021, for the period of October 1, 2020 through September 30, 2021. You should have previously received a letter from the Department containing the online filing information needed to access your exemption account and file the report online through "My Alabama Taxes" (MAT). If you have not received your letter with the online filing information or if you have misplaced your letter, please contact our office at 334-242-1490.

NOTE: The report will be available for you to file online beginning October 1, 2021, and will be deemed late if filed or submitted after October 31, 2021.

In order to access your exemption account and file the report, you will need to visit our MAT website at <https://myalabamataxes.alabama.gov> and create a MAT web profile (username and password). If you already have a MAT web profile (username), you may add your exemption account to your current profile. You will find step-by-step instructions on how to create a web profile and how to add access to an existing account at:

https://revenue.alabama.gov/wp-content/uploads/2017/05/st-mat_info.pdf.

Once you have created and/or logged into your MAT profile, you will need the following information to submit the report:
